**459110** - Sporting Goods retailers

**DEFENSE. TECHNOLOGY.  
VISUAL INNOVATION -  
ALL UNDER ONE ROOF**

### COMPANY OVERVIEW

Firebird Tek Industries, LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) headquartered in Florida, delivering an integrated portfolio of defense supply, cybersecurity, and advanced media production services to federal and state agencies. Established in 2025 and backed by 85+ years of combined team expertise across defense, IT, entertainment production, and small arms, FTI unifies three specialized capability divisions — defense & munitions, cybersecurity & IT, and virtual media production — under a single, contract-ready entity. FTI supports clients from the Panhandle to nationwide, with full remote delivery capability.

### PAST PERFORMANCE

**Department of War / Education / Agriculture:** Delivered staffing continuity, cost reduction, and compliance solutions; reduced high-priority IT incident response to under 24 hours across engagements.

**Pine Ridge Film & Television (Emmy Award Recipient):**

Produced 30+ episodes across 9 broadcast seasons with zero missed deadlines — contributing to multiple national Daytime Emmy Awards and 13 nominations for Disney, Travel Channel, PBS, ESPN, and NFL Networks.

**Travel Channel — Great Hotels & Samantha Brown Franchise:**

Directed full production pipeline for two flagship travel series across 10 countries, managing location scouting, crew, and post-production delivery to broadcast standards.

**Sony Pictures / Disney / EA Sports / History Channel:**

Delivered complex 3D animation, motion capture integration, and cinematic visual sequences for feature film, television, and interactive gaming productions on tight deadlines. Gemstone Media / Reel Insight / Upstaging: 100% client retention rate; referred by Pine Ridge and retained as active repeat partners across multiple commercial productions.

### DIFFERENTIATORS

- Active TS/SCI-cleared leadership background
- CASP+ and IATIII certifications — top-tier cybersecurity credentials
- Single vendor spanning munitions, IT, and production, reducing vendor management overhead
- Emmy Award-winning media team: 30+ broadcast productions, zero missed deadlines
- 100% client retention across all media and IT service engagements
- FAA Part 107 drone + Unreal Engine certified — rare dual capability for simulation and aerial ISR-style production
- On-call response: on-site within 2 hours for Panhandle region; 24-hour resolution for high-priority IT incidents

### CORE COMPETENCIES

- ▶ Small arms ammunition supply & fulfillment (within one week delivery)
- ▶ Defensive gear, pepper-ball, taser & non-lethal systems supply
- ▶ Defensive firearms training & personnel education
- ▶ Cybersecurity architecture, auditing & IATIII-certified consulting
- ▶ IT systems design, engineering & support (CASP+ certified)

- ▶ Virtual production using Unreal Engine for training & simulation
- ▶ AI-powered video & image generation for government media
- ▶ 3D animation, modeling, rigging, lighting, color correction, motion capture & compositing
- ▶ XR / VR / AR simulation environment development

- ▶ Aerial photography & drone operations (FAA Part 107)
- ▶ Full-service broadcast video production & post-production
- ▶ Motion graphics, animation & professional photography
