COMPANY OVERVIEW

Firebird Munitions, LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) headquartered in Florida, delivering a comprehensive portfolio of defense supply and small arms munition services to federal and state agencies. Established in 2024 and backed by 85+ years of combined team expertise across defense, and small arms, Firebird Munitions unifies these specialized capability divisions under a single, contract-ready entity. Firebird Munitions supports clients from the Panhandle to nationwide, with full remote delivery capability.

PAST PERFORMANCE

Department of War / Education / Agriculture:

Delivered staffing continuity, cost reduction, and compliance solutions; reduced high-priority IT incident response to under 24 hours across engagements. While the CEO worked on Federal contracts in an IT capacity, he is keenly experienced with the workflow involved with them.

DIFFERENTIATORS

- Active TS/SCI-cleared leadership background
- CASP+ and IATIII certifications — top-tier cybersecurity credentials
- Single vendor spanning munitions and IT, resulting in a reduction of vendor management overhead
- 100% client retention across all media and IT service engagements
- On-call response: on-site within 2 hours for Panhandle region; 24-hour resolution for high-priority IT incidents
